CHARTIFACTS

Week Commencing ~ 17 August 2009 ~ Issue #1016

SINGLES. The Black Eyed Peas' domination at the top of the chart has finally come to an end. Knocking the Peas off the top is French house producer David Guetta, and his collaboration with rapper Akon, *Sexy Bitch*. Guetta, who produced *I Gotta Feeling* for the Black Eyed Peas, also holds the No.7 spot with his song with Kelly Rowland, *When Love Takes Over*. The biggest jump in the top 10 comes from Kate Miller-Heidke. Her track *The Last Day On Earth* has moved up from No.9 to No.3 on the back of heavy TV promotion. UK R&B star, Alesha Dixon has also taken a big leap up the chart to No.19 with *The Boy Does Nothing*, the track that is fronting promos for this year's *Dancing With The Stars*. This week marks an entire year that P!nk's former No.1, *So What* has been in the chart. It's sitting at No.68, having jumped back up this week from No.73.

No.6 LIKE IT LIKE THAT – Guy Sebastian. No stranger to the higher end of the charts, Australia's original idol returns to the chart after a two-year absence. This track comes from Sebastian's forthcoming fifth album. It is the latest in an impressive line of hits that includes *Angels Brought Me Here* (No.1 Dec. '03), *All I Need Is You* (No.1 Mar. '04), *Out With My Baby* (No.1 Oct. '04) and *Taller, Better, Stronger* (No.3 Sep. '06). This track was chosen by American TV network NBC to front their summer promotional campaign.

No.27 DO IT AGAIN – Cassie Davis. After earlier hitting with *Like It Loud* (No.11 Feb. '09) and *Differently* (No.29 June '09), Perth's Cassie Davis has done it again; entered the chart, that is. *Do It Again* debuts in the chart the week that her debut album *Differently* is released. Davis has been busy of late, having just finished a tour of schools around New South Wales, Victoria and Western Australia. She has also recently returned from a stint in LA where she worked with the likes of Snoop Dogg and Warren G.

No.40 UPRISING - Muse. The spacey prog-rock sounds of Muse return with *Uprising*, the lead single from their fifth album, *The Resistance*. Singer Matt Belamy has likened the new track to a heavy-rock take on *Goldfrapp*. Belamy has also stated that the focus of the track is the global financial crisis. This is Muse's first time in the chart since *Starlight* (No.46 Feb. '07). They've also achieved previous chart placings with *Super Massive Black Hole* (No.34 June '06), *Plug In Baby* (No.57 Apr. '01) and *Hysteria* (No.61 Jan. '04).

No.57 MAMA DO (UH OH, UH OH) – Pixie Lott. British songstress Pixie Lott, makes her chart debut with this number. The track was No.1 in the UK in June and also reached No.5 on the European chart. Lott co-wrote the song with famed producers/writers Mads Hauge and Phil Thornalley (one of the writers behind Natalie Imbruglia's hit *Torn* (No.2 Feb. '98)). Before establishing herself in the pop world, Lott appeared in a West End production of the musical - *Chitty Chitty Bang Bang*.

No.65 WARP – The Bloody Beetroots Feat. Steve Aoki. The Bloody Beetroots, an Italian electro-house duo with a penchant for wearing Venom masks, make their first visit to the chart with their track *Warp*. The track, a collaboration with DJ/producer Steve Aoki, has been receiving fairly heavy play on music TV over the last couple of weeks. Aoki and The Bloody Beetroots also worked together on a remix of the track *Spaceman* by The Killers. Other tracks by The Bloody Beetroots have featured on several video games including *FIFA '09*.

No.70 NEOPOLITAN DREAMS – Lisa Mitchell. *Neapolitan Dreams* is the second single by singer-songwriter Lisa Mitchell to enter the chart in quick succession after *Coin Laundry* (No.35 Aug. '09) made its debut a couple of weeks ago. The track, which features on her debut album *Wonder*, originally featured on her EP *Welcome To The Afternoon* (No.93 June '08) and placed at No.91 in the Triple J Hottest 100 earlier in the year. It has been used in, amongst other things, the soundtrack to *Packed To The Rafters*, ads for 3 Mobile and Surf detergent.

No.72 MAKE HER SAY – Kid Cudi. This song, by U.S. rapper Kid Cudi, also features the talents of hip-hop luminaries Kanye West, and Common. It's the second track to be lifted from Kid Cudi's debut album *Man On The Moon: The End Of Day*. Previously, Kid Cudi has charted with two versions of the same song; *Day N Nite* (No.15 May '09) and *Day N Nite (Original Explicit)* (No.40 June '09). This track contains a sample of an acoustic version of Lady Gaga's hit *Poker Face* and was originally titled *I Poke Her Face* (this was deemed too offensive). Gaga has voiced her approval of the track.

No.75 SHOOTING STARS – Bag Raiders. Making their debut on the chart is Sydney electro duo, Bag Raiders. Formed in 2006, *Bag Raiders* are Jack Glass and Chris Stracey. Until now, they have been known for their prominent remixes of other artists, including Cut Copy, Lost Valentinos, Muscles, Midnight Juggernauts and Chromeo. As well as their live shows, that have seen them appear at prominent music festivals such as Parklife, Shore Thing and Field Day, as well as further afield in Brazil and the U.S. They have previously released two EPs and there is an album due for release in the early part of 2010.

ALBUMS. The top 100 album chart this week features no new entries. This is the first time the album chart has contained no new entries since the week of 12 January 2009. *The Essential Michael Jackson* still holds the top spot. However, it may appear that the late King Of Pop's dominance of the chart may be coming to an end, with most of his albums taking a significant slide down the list. A big mover in this week's chart has been Brisbane artist Kate Miller-Heidke; whose album *Curiouser* has moved back up in the chart from No.33 to No.15 on the back of her current hit single *The Last Day On Earth*. Another artist moving back up is Katy Perry. Her album *One Of The Boys* has jumped back up in the wake of her national tour and is sitting at No.35 this week. Re-entering the chart on the back of their November stadium tour announcement is Pearl Jam and their greatest hits compilation *Rearviewmirror* at No.57. Another (possible) tourer; Fleetwood Mac is sitting just inside the top 40 with their compilation *The Very Best Of Fleetwood Mac*, this is the 235th week that the album has sat in the chart.

#1 Single this week
